Aces with Wings of Gold

Don't miss this opportunity to meet these Naval Aviator Aces as they share their experiences flying and fighting from aircraft carriers during the Second World War. Experiences of the panelists include being the 4th highest scoring Navy Ace; being the only Navy ace to score victories in both the ETO & PTO; being rescued by helicopter in Korea, having his carrier sunk during a mission -- and many more.

The event includes the opportunity to personally meet and chat with the Aces during the mixer, hear their stories during the moderated panel discussion and get their autographs.
