American Fighter Aces Association

February 25, 2007

Located at the San Carlos Airport adjacent to Hwy 101

Join us as we present our first Symposium of 2007 and meet these Fighter Pilots who accounted for 47 destroyed enemy aircraft while flying the F-86 Sabre in MiG Alley. The day will provide an opportunity to personally meet and hear the Aces share their experiences flying against MiGs in the first largely jet-vs-jet battles.
