

HILLER AVIATION MUSEUM

Boy Scout Merit Badge Programs

One-Day Programs for Boy Scouts

Boy Scouts can complete their requirements for the Aviation, Weather or Astronomy Merit Badge through special one-day programs at the Hiller Aviation Museum in San Carlos. All programs include:

- Admission to the Hiller Aviation Museum
- Aerodynamics and Weather Presentations in an Aviation-Themed Environment
- Flight Simulation Missions in the Flight Sim Zone

Aviation Badge participants build and fly model gliders, inspect the Museum's Cessna Cardinal, and complete an Air Traffic Control simulation. Weather Badge participants complete weather experiments including lightning and tornado formation and construction of a weather station. Astronomy participants observe the Sun and Moon with telescopes, build a working sundial, learn to identify constellations in a planetarium and more!

Merit Badge programs are offered on the following Saturdays during 2016-2017:

| | | |
|-----------------------------------|----------------------------------|---------------------------------|
| <u>Astronomy (\$55) 9:00-4:00</u> | <u>Aviation (\$45) 9:30-4:00</u> | <u>Weather (\$50) 9:00-4:00</u> |
|-----------------------------------|----------------------------------|---------------------------------|

October 8th
 December 10th
 February 4th
 April 8th

July 7th (Thursday)
 August 20th ★★
 September 17th
 October 1st
 November 5th
 December 17th
 January 14th
 February 11th

September 10th
 December 3rd
 January 28th
 February 25th
 March 25th
 April 29th

Additional dates available at www.hiller.org

Aviation Badge participants complete all requirements on the day of program and have their blue cards endorsed onsite. Astronomy and Weather Badge participants must complete follow-up observation programs using tools provided during program. When finished, observations and blue cards may be submitted to Merit Badge Counselors at the Museum by mail for endorsement.
