Special Announcement
& Invitation

On Sunday, April 14, 2024, the **Airport Runway Run** returns to San Carlos! About 1,200 participants are expected to run, walk, and stroll down the San Carlos Airport Runway at this 8th Annual 2K/5K/10K, benefiting Hiller Aviation Museum's science education programs.

On behalf of our Race Committee, I invite your participation as a sponsor of the Airport Runway Run!

With three races—a Certified 5K and 10K, along with a 2K Family Fun Run—the Airport Runway Run has grown into a favorite community event for competitive runners, walkers, and Peninsula families.

The Airport Runway Run is a significant opportunity to shine a light on your business, ensuring valuable marketing and publicity, while supporting this growing local community health & wellness event.

Please see the attached [Sponsorship Levels and Benefits](#) and [Fact Sheet](#) for all the 2024 details.

With your help, Hiller Aviation Museum serves as an education center and learning resource for all. Of our 100,000+ annual visitors, half are students participating in educational field trips, Aviation Camp, and other STEM education programs.
