OUR RESPONSE TO COVID

As required by state and local health regulations, the museum was closed for more than six months during the 2021 fiscal year. Throughout this time the museum pivoted to digital education programming with offerings like Virtual School Field Trips, Hiller Hangar Talks on Zoom, and Hiller at Home. Despite the immense challenges related to the pandemic, and thanks in part to the generosity of donors, members, Aviation Camp families, and visitors, the museum proved resilient, reopened when possible, and eventually returned to full-scale operations.

VIRTUAL IMPACT

4,452 youth served through instructor-led STEM education lessons

2,909 K-12 students from 63 schools engaged in Virtual School Field Trips

387 BSA Scouts and Girl Scouts in 26 sessions

1,156 participants in 125 Virtual Invention Lab sessions
