How Did you learn about the Hiller Aviation Museum Aviation Camp Teen Volunteer Program?

Describe your previous or current work/volunteer experience – may include babysitting, yard work etc.

Describe your experience, education, or interest in the following: Working with children, science, technology, aviation, and/or summer camps.

How would you describe yourself?

Why do you want to volunteer?

A minimum comitment is 2 week-long half-day shifts (Monday – Friday). Week-long whole day shifts from 8:45-4:15 are encouraged.

Please select as many shifts/sessions as you will be availabel for, from the list below. Those selections will be used to craft your schedule. DO NOT select any shifts/sessions that you have reservations about, or may not be able to fulfill. Scheduled shifts will not be altered once the final schedule is complete. Volunteers DO NOT have permission to alter their schedules. Any and all changes or absences must be handled though the volunteer office [jen@hiller.org](mailto:jen@hiller.org) 650-654-0200 x219 Final schedules are availble on your Volgistics account on June 27<sup>th</sup>, in time for training. Absences resulting from illness or family emergency need to be communicated though the volunteer office immediately.

I have read and understand the above. Volunteering is a comitment and the Aviation Camp Staff depends heavily on volunteer service.
