MUSEUM

Our Mission

We use aviation as a gateway for people to embrace adventure and innovation while using tools of science to explore how the physical world works and how the dream of flight is made into reality.

Highlights of the Past Year

The 2015-2016 fiscal year was devoted to continued exhibit development, school field trips and outreach to low-income schools, public events, and programs that provided museum visitors from the Bay Area with inspiring and educational aviation and STEM experiences. The museum introduced its new venue devoted to the investigation of Unmanned Aerial Vehicles (UAV) called *Drone Plex*. During 12 months, 109,906 people visited the museum. About 35,000 visitors, mostly youth, participated in over 3,000 hands-on programs. We delivered 1,127 museum tours and science programs to approximately 13,000 school children and their adult leaders from 280 different Bay Area schools. Of these visitors, 2,278 were from low-income classrooms who attended free of charge or at reduced cost.

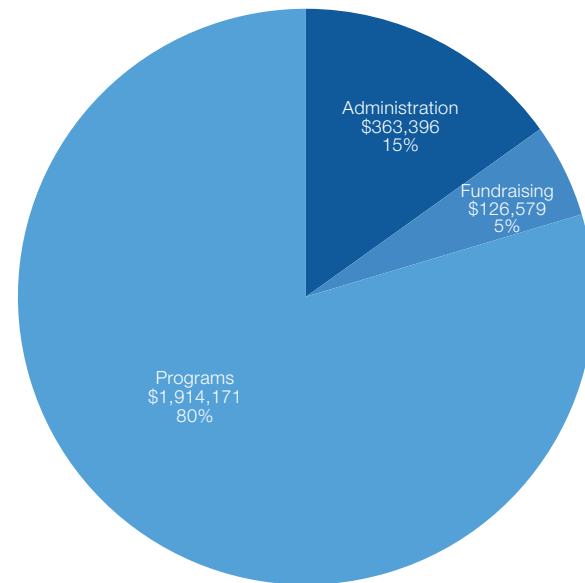

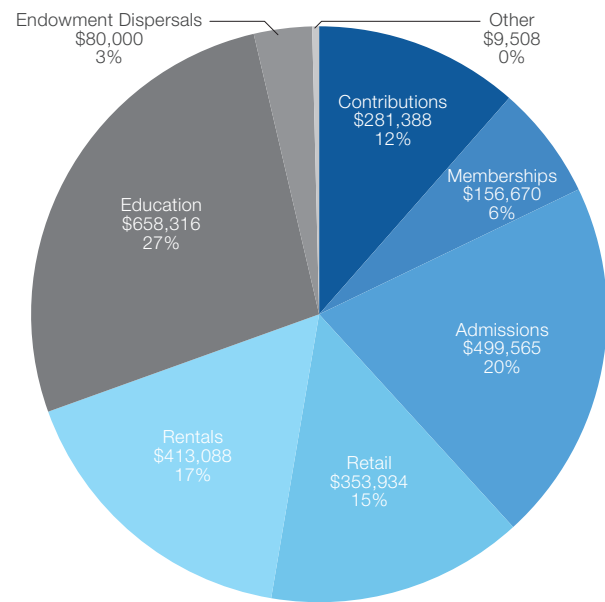

In total, 975 Boy Scouts and Girl Scouts participated in 32 badge workshops. Year-round camp programs were attended by 1,417 children. The Flight Sim Zone was used by 15,248 visitors, including 6,954 public users on weekends who received at least 30-minutes of simulated flight time with a pilot instructor. Special events and programs providing educational

enrichment experiences were presented to 2,391 youth, including 419 students who participated in our annual Aero Design Challenge and Engineers Week. Over 90 programs were delivered afterschool and offsite to elementary and middle schools as well as San Mateo County Libraries for 1,767 students.

Special Events included the San Carlos Week of the Family, Home School Mondays, Kid’s Air Faire, Model Trains, Open Cockpit Days, Autogiro Day, Smithsonian Magazine Day, Oktoberfest, Halloween Hangar Haunt, Bay Area X Planes, Helifest, Aero Design Challenge, Santa Arrives by Helicopter, Scout Saturdays, Easter Bunny Arrives by Helicopter, Flying Leprechaun, San Carlos Airport Day, Inventors Workshop, EAA Ford Tri-Motor Tour, Biggest Little Airshow, Engineers Week, Day of Drones, Super Bowl Flying Football Fun Fest, Water Rocket Workshop, Happy Birds, John Collins Perfect Paper Airplane Days, San Mateo County Bookmobile plus numerous lecture events featuring expert aviators. Fundraising events included “Future Forward,” the museum’s 11th Annual Benefit Gala.
