

HILLER AVIATION MUSEUM

GRANT FUNDING APPLICATION
TRANSPORTATION REIMBURSEMENT

For qualified schools serving low income students, limited grant funding is available to reimburse bus transportation expenses up to \$750 per school for field trips visiting the Museum between July 1, 2021 and June 30th, 2022. To apply, make your Field Trip reservation and then complete and return the following at least three weeks prior to Field Trip date.

School Name: _____ District: _____

Field Trip Date: _____

Address: _____ Phone: _____

_____ Fax: _____

Teacher Name: _____ Grade(s): _____

Percentage of Students Qualified to Receive Free/Reduced Lunch at School: _____

Please note that Field Trips must be scheduled before grant funding applications will be considered. Recipients will be advised in advance of the status of their application.

Schools with at least 30% of students qualified to receive free or reduced price meals will generally qualify. Awards will be made based on this criterion and on the availability of funding. Transportation reimbursements to approved applicants will be made after the field trip is completed and a receipt/copy of the invoice is provided to the Museum’s Education Department.

Transportation assistance awards are limited to reimbursement for bus or other transportation expenses up to \$750 per school per year. All awards must be disbursed no later than July 15th, 2022. Please contact the Museum for additional information.
